Hi Bill- thanks for attending the luncheon today!

Also, I spoke with Marion Ramano last night at the fair. Interesting that she decided to leave the borough and is now looking for a new challenge. I like her enthusiasm. She said she spoke to you and will be speaking with you again in the future about possible opportunities to serve the state. I told her I'd let you know that we spoke - we have a good relationship over 25-plus years.

OK Mike. Keep your cell handy. Have to make a trip to a nearby restaurant to call as our rental house has no phone. My cell works but the minutes are .25 each whereas I can use a calling card from a pay phone for much less. Time will depend on what activites the group has planned [theres about 30 of us here]. Keep in mind that I have no problem with you calling me any time on my cell if something important needs to be addressed, and I carry my cell always [cell number is 907-351-8854].
